

## The Music

January, 2007

Dear Venue Manager,

Viben Oodle is interested in playing your venue in **January, February, and/or March.**

Viben Oodle are a three piece band who can sound as full as an orchestra. They create both original, energetic, dancable grooves, and music which will make you gasp. These young musicians are masters of their craft.

Viben Oodle has played southwestern Virginia venues such as Attitudes, She Sha, Champs, the Cellar, and Sharkeys, theaters: the Lyric, weddings, house parties, regional venues: Barley's in Knoxville, and even for Virginia Tech's College of Science outside of Lane Stadium before the homecoming football game. They have just released their third full-length album titled, **Soaked in Antimatter**, and through constant attention to the music and their fans, have created a dedicated following in their area.

I hope you can take the time to revue Viben Oodle's press pack, because I think you will be pleasantly surprised at what you hear.

Viben Oodle are very reliable and respectable and will work with your needs for this specific event.

Thank you very much for your time,
